

NOTHING BEATS A — **TIMESAVER**

**1221-12-00
25"**

**1211-13-0
37"**

Series 1200 - Dry Metal

Designed for dry operation, the 25" wide model 1211-12-0 and 37" wide model 1211-13-0 are economically priced but deliver all of the same great results that you expect of a larger Timesaver. Single head machines can deburr in a single pass or deburr and finish with multiple passes.
